

Iowa-Illinois Safety Council

Chapter of National Safety Council
Your Safety & Health Leader

OSHA 511

-Occupational Safety and Health
Standards for General Industry-

This 4 day course covers OSHA policies, procedures, and standards, as well as general industry safety and health principles. Topics include scope and application of the OSHA general industry standards. Special emphasis is placed on those areas that are the most hazardous, using the OSHA standards as a guide. Students will receive a certificate from the Midwest OSHA Education Center. This course is a prerequisite for the OSHA 501 class.

\$720 per person. Cost includes course materials. Participants should bring a copy of the 1910 regulations manual. 1910 regulations manual is available for an additional \$25.

If you have any questions please call Margret Meade at 515.276.4724 ext. 221 or email Margret@iisc.org. *This class is awarded 32 CEH/3.2 CEUs by Des Moines Area Community College.*

This course is conducted in conjunction with Midwest OSHA Education Center.

Members Only: Register one person at full price and each additional person from same company for same class get 25% off.
